To Chart A Course
We seek, at this meeting, to determine whither we are going and to chart the course of our destiny. It is no less important that we know whence we came. An awareness of our past is essential to the establishment of our personality and our identity as Africans—
H.I.M. Jah Rastafari
King of kings, Lord of lords, conquering lion of the tribe of Judah, root and offspring of King David— Haile Sellassie the First.

Organized by Rastafari Isalem School - Kwa-Mashu with kind support from the Center for Civil Society (UKZN)
