

DAILY PROGRAMME

TUESDAY, 06 OCTOBER 2015

19H30 – 21H00 PHASA Executive meeting
North Ilanga (Board room Style) – Working dinner

Exhibition set up after 17:00

WEDNESDAY, 07 OCTOBER 2015

08H45 – 18H00 Student Symposium & JuPHASA AGM (Great Ilanga)

- 08H45 – 12H15
- Workshop 1: Rural-proofing as an approach to accounting for rural factors in strategic planning and budgeting for health care
Venue: Suite 1
 - Workshop 2: Climate change, air quality and health: Impacts of energy choices
Venue: Suite 2
 - Workshop 3: Building a broad-based movement for Health for All: Challenges and opportunities in health activism for a people-centred NHI
Venue: North Ilanga
 - Workshop 4: Strengthening leadership and management through work-place based training and capacity development interventions
Venue: East Ilanga
- 12H45 -16H15
- Workshop 5: Health policy and systems research in South Africa: Directions and specializations
Venue: Suite 1
 - Workshop 6: Integrative, complementary, alternative and traditional health practice (I-CATHP): The potential to help address global health issues
Venue: Suite 2
 - Workshop 7: Health committees – vehicles for democratic governance in the South African health system
Venue: North Ilanga
 - Workshop 8: Putting women at the centre of development and achieving hygiene behaviour change
Venue: East Ilanga
- 8H45 – 16H15
- Workshop 9: Evaluation of the Atlantic Philanthropies public health programme in South Africa
Venue: Maharani

16H30 – 18H00	<p>Special Interest Group meetings Health policy and systems research in South Africa SIG Integrative, complementary, alternative and traditional health practices SIG</p> <p>Epidemiology SIG Mental Health SIG</p>	<p>Venue: Suite 1 Venue Suite 2 Venue: North Ilanga Venue: East Ilanga</p>
18H00 – 18H30	Busses collect guests	
19H00 - 21H30	<p>Welcome reception (Moses Mabhida Stadium) Welcome Official opening of the conference</p>	<p>Dr Julia Moorman Honorable Mayor Cllr James Nxumalo Mayor of eThekweni Municipality</p>
	<p>Panel Discussion Challenges and successes in service delivery, training and public health research in KwaZulu Natal Chair: Dr Elizabeth Lutge</p> <p>Panelists Dr Kogieleum Naidoo, CAPRISA Dr Fikile Ndlovu, KwaZulu-Natal Office of the Premier Dr Bernard Gaede, Head of Department of Family Medicine, University of KwaZulu-Natal</p>	

THURSDAY, 08 OCTOBER 2015

08H30 - 09H40	<p>Plenary</p> <p>Sustainable Development Chair: Prof Gail Hughes</p> <p>The health sector's impact on sustainable development: The evidence, current practices, and future directions <u>Dr Peter Orris</u>, University of Illinois Hospital and Health Sciences System</p> <p>Sustainable Development Goals, South Africa's 'war on poverty', improvements in the SA Gini inequality measure, and other unhealthy fictions <u>Prof Patrick Bond</u>, School of Built Environment and Development Studies, the University of KwaZulu-Natal</p>	Venue: Great Ilanga
09H40 - 10H00	Tea Break (Exhibition area & foyer)	
10H00 – 12H00	<p>Satellite 1</p> <p>How can we protect critical posts at times of austerity? <u>M Versteeg-Mojanaga</u></p>	Venue: Maharani

10H00 - 11H15

PARALLEL SESSION 1

Parallel Session 1A: Infectious Diseases

Venue: Great Ilanga

Chair: Dr Stephen Knight

Containing ebola epidemic in resource-limited setting: outbreak description and lessons learned from Nigeria

A Usman **FTP**

Linkages to care for ineligible newly diagnosed HIV positive individuals – A register audit in the City of Johannesburg, South Africa

J Nyasulu

Monitoring of travellers from high risk ebola virus disease countries to South Africa, August 2014 - June 2015

L Ratya **FTP**

Measles outbreak in urban slums of Lagos State, South Western Nigeria, April 2013

A Usman **FTP**

Parallel Session 1B: Strengthening health service provision

Venue: Suite 1 & 2

Chair: Dr Manei Letebele-Hartell

Effectiveness of the integrated chronic disease management model in improving patients' health outcomes in a rural South African setting: Controlled interrupted time-series analysis

S Ameh

Factors influencing utilization of cervical cancer screening among HIV positive women in Mbeya, v.v Tanzania

S Kilasi

Scaling up of cervical cancer screening in Buffalo City Municipality, Eastern Cape: A best practice perspective

C Manyamba **FTP**

A model of care for the rehabilitation of people living with HIV in a semi-rural South African setting

V Chetty **FTP**

Analysis to review medicines that expire at one tertiary public sector hospital

C Sauls

Parallel Session 1C: Environmental/Occupational Health

Venue: North, East & South Ilanga

Chair: Prof. Rajen Naidoo

Exploration of factors influencing family consent for autopsies of deceased miners

J Mthombeni **FTP**

Impact of weather variations on the prevalence of cardiovascular disease in Limpopo Province, South Africa

W Siziba

Do genetic variations alter organophosphate neurotoxicity?

T Glass

Air pollution and other risk factors for adverse birth outcomes and infant respiratory health outcomes and infant respiratory health findings from a South African birth cohort

K Asharam **FTP**

Risk assessment for sustainable development: A critical review of the risk assessment process for pesticides in South Africa

W Utembe

11H20 - 12H00

POSTER SESSION 1

Poster Session 1A: Infectious diseases

Venue: Great Ilanga

Chair: Dr Nerisha Tathiah

A disaster management strategy to address intermittent power and water supply and a concomitant disease outbreak

T Nicholson **FTP**

A systematic review of diarrhoea in children under five years of age in South Africa (1997-2014)

O Gbabe **FTP**

Detection of rotavirus antigen from calves in rural areas of the North-West Province, South Africa

K Malatji **FTP**

Evaluation of Enterococcus faecium and Enterococcus species specific phage as potential indicators of faecal contamination in the water of Mafikeng, South Africa

P Matlou

Malaria diagnosis, treatment and surveillance in Mutale Municipality, Limpopo: Transitioning from a programme to an integrated approach

D Moonasar **FTP**

Milestones of malaria drug for management of infant malaria in Nigeria

K Odor **FTP**

Missed opportunities for immunisation in health facilities in the Western Cape Metro

N Jacob **FTP**

Poster Session 1B: Health systems

Venue: Suite 1 & 2

Chair: Dr Ziyanda Vundle

Continuity of care between hospitals and primary health care in the Western Cape

R Dyers

Data quality and completeness of the electronic TB register in Eden District, Western Cape Province, 2007-2013

M Mlotshwa **FTP**

Development of a quality index tool to assess the completion of J88 forms for rape survivors in South Africa

M Mathews **FTP**

Empowered staff and clients can improve cervical screening coverage in a primary health care facility

S Pitse **FTP**

Establishing an optimally functioning pharmaceutical and therapeutics committee (PTC) through leadership development in eThekweni South sub-district

B Mkhize **FTP**

Factors affecting utilization of cervical cancer screening services in Musoma district, Tanzania

D Ngilangwa **FTP**

Medicines are essential to maintaining a 'stable' and productive population: The chronic dispensing unit as a mechanism for improving access to medicines.

B Magadzire

Lack of POC diagnostics tuberculosis in rural and remote primary healthcare clinics in South Africa: Community health workers rescuing a failing health system

T Mashamba-Thompson

Poster Session 1C: HIV/TB

Chair: Dr Andrew Medina-Marino

Venue: North, East & South Ilanga

An assessment of the implementation of disclosure counselling to HIV-infected children on antiretroviral treatment in public health facilities in Tshwane district

S Madiba

Experiences of community care givers caring for patients with tuberculosis in eThekweni district, province of KwaZulu-Natal

N Sibiyi **FTP**

Factors associated with life satisfaction among HIV-positive students in higher education institutions in South Africa

T Makola **FTP**

How sustainable is scaling up to Option B+ for Prevention of Mother-To-Child Transmission of HIV in Nigeria? A cost effectiveness analysis

T Oladele **FTP**

Improving twelve months viral load completion for patients at Vosloorus poly clinic, Ekurhuleni

A Denge **FTP**

In vitro anti-HIV, Cytochrome P450/3A4 and P-glycoprotein inhibitory activities of novel herbal formulations

N Motlohi **FTP**

Knowledge and attitudes towards the prevention of mother to child transmission of HIV/AIDS amongst residents in Ajara-Vetho, Badagry local government area

O Akinde **FTP**

Knowledge and satisfaction levels of adult patients with pulmonary tuberculosis at primary healthcare clinic in Durban

A Ojewole **FTP**

12H00 - 12H30 Lunch (Exhibition area & foyer)

12H30 - 14H00 PHASA AGM

Venue: Great Ilanga

14H00 – 15:45 Satellite 2

Venue: Maharani

"Global Green and Healthy Hospitals (GGHH) - a means for the health care sector to promote greater sustainability and environmental health"

P Orris, E Euripidou

14H00 - 15H45

PARALLEL SESSION 2

Parallel Session 2A: HIV/AIDS

Venue: Great Ilanga

Chair: Prof Eunice Seekoe

Involving civil society in developing sustainable strategies to improve treatment adherence and retention in care

E Janse van Rensburg-Bonthuyzen

Ocular disorders among HIV positive patients in Vhembe District, Limpopo Province, South Africa

P Manjengwa-Hungwe **FTP**

HIV/AIDS and disclosure to partners: A situation analysis of HIV positive women in Oyo State, Nigeria

A Usman **FTP**

Factors affecting uptake of male medical circumcision in rural KwaZulu-Natal

L Sobekwa **FTP**

To cut or not: Male perceptions of male circumcision communication strategy in Gaborone, Botswana

S Setumo **FTP**

Determinants of Infant-feeding choices of HIV-positive Women attending Prevention of Mother-to-Child Transmission clinics in Oyo State, South-western Nigeria, 2014

A Usman **FTP**

Knowledge of HIV/AIDS and predictors of uptake of HIV counselling and testing among undergraduate students at North West University, SA

P Bigala

Parallel Session 2B: Non-Communicable Conditions

Venue: Suite 1 & 2

Chair: Prof Brian van Wyk

Using self-report measures in identifying common mental disorders among people seeking HIV testing in South Africa

W Saal **FTP**

Trends in adolescent alcohol and drug abuse in South Africa: Reflections on the past five years of treatment demand

F Timol-Maithir **FTP**

Prevalence and determinants of depression among patients under the care of traditional health practitioners in a Kenyan setting

C Musyimi

Health conditions and life years lost due to disabilities among people with disabilities living in under resourced communities in the Western Cape, South Africa

S Maart

Intimate partner violence among Participants in the Rhea Phela Healthcare Worker Study

K Apodaca **FTP**

What do type-2 diabetic patients attending a Community Health Centre in Pretoria know about their disease?

J Meyer **FTP**

Demographic correlates of low haemoglobin deferral among potential blood donors in South Africa

F Kuonza **FTP**

Parallel Session 2C: Social and Cultural determinants

Venue: North, East & South Ilanga

Chair: Prof Stephen Hendricks

Elemental mercury use in South African traditional medicine

R Street

A cross sectional survey of dietary diversity of KwaZulu-Natal

M Taylor **FTP**

Understanding the drivers of protests in SA (South Africa)

A Simelane **FTP**

The ethics of exhuming in Post-Apartheid South Africa

R Ceasar **FTP**

Determinants of transactional sex using a nationally representative survey in South Africa

P Manjengwa-Hungwe **FTP**

Traditional male circumcision: the determinant of water restriction

M Douglas **FTP**

15H45 – 16H00

Tea Break (Exhibition area & foyer)

16H00 – 18H00

Satellite 3

Venue: Maharani

Using Quality Improvement methods to develop sustainable health outcomes

L de Kock

16H00 - 17H15

PARALLEL SESSION 3

Parallel Session 3A: Tuberculosis Control

Venue: North, East and South Ilanga

Chair: Prof Shan Naidoo

Community volunteers as effective tool in tuberculosis control: A study from Ezza North, Ebonyi state, Nigeria

J Agboeze **FTP**

Risk factors for tuberculosis treatment default among adult patients in the Free State Province, South Africa

G Kigozi

Perspectives of parents and primary school educators on TB in children

H Kunene **FTP**

DOTS supporters' motivation to participate in management of TB patients in informal settlements of Orange Farm

B Ntuli

Parallel Session 3B: Human Resources

Venue: Suite 1 & 2

Chair: Dr Thembelihle Dlungwane

Depression and absenteeism among participants of the Rea Phela Health Care Worker Study

A O'Regan **FTP**

Exploring the influence of trust relationships on motivation in the health sector: A systematic review

D Okello

Exploring workplace learning to support health managers in the Western Cape Province: An option for leadership development in the health system

G Teddy **FTP**

Lessons learned from the Western Cape PEPFAR Transition Process

J Chiliza

The role of capacity building on health screening in the continuum of care for OVC in Gauteng

E Zibengwa **FTP**

Parallel Session 3C: Infectious Diseases

Venue: Great Ilanga

Chair: Prof Benn Sartorius

The occurrence of blaCTX-M, blaSHV, and blaTEM genes in extended-spectrum β -lactamase-positive Salmonella strains in Nasarawa State, north central Nigeria

A Adamu

Towards malaria elimination: KwaZulu-Natal, South Africa, 2011-2015

M Shandukani FTP

Investigation of cholera outbreak in a rural north central Nigerian community-the Gomani experience

C Dan-Nwafor FTP

Risk factors for incident HIV infection among antenatal mothers in rural Eastern Cape, South Africa

C Businge

Exploring the Knowledge, Attitudes, Perceptions and Practices (KAPP) of healthcare providers on viral hepatitis notification in Gauteng province

E Mathatha

17H20 – 18H00

POSTER SESSION 2

Poster Session 2A: HIV/TB

Venue: North, East & South Ilanga

Chair: Dr Yuki Sookrajh

Promoting behaviour change among adolescents at the cultural level: Using elicitation research to develop a culture-specific school-based curriculum on HIV and AIDS prevention in rural South Africa

S Mbatha

Reducing the risk of active TB in HIV infected clients by increasing IPT uptake rate at Selala clinic in Limpopo Province

L Mpapele

Risk factors for acquisition of sexually transmitted infections among people living with human immunodeficiency virus in Diepsloot, Johannesburg, South Africa

T Basera FTP

Students' HIV health literacy, sexual behaviour and self-reports of having tested for HIV

S Naidoo

The impact of HIV on maternal mortality in South Africa

N Zender

The interaction between HIV and intestinal parasites co-infection with nutrition in KwaZulu-Natal adults

B Mkhize

Ward councillors' and clinic committee members' views on the utility of maps for TB treatment adherence

E Hoosain

The role of Community Development approaches to sustainable smoking cessation interventions for tuberculosis patients in South Africa

P Shangase

Poster Session 2B: Human resources/Health sciences training Venue: Suite 1 & 2
Chair: Dr Francis Hyera

Associations of demographics, living conditions, work, and lifestyle, with levels of satisfaction of nursing personnel

J Hodgskiss **FTP**

Factors influencing performance of Community Health Extension Workers (CHEWs) in implementing Community Health Strategy in Embu County

K Ogendo

Factors that Influence the functionality and sustainability of Community Health Worker Programs in Rural Kenya; the case of Makueni County

F Ndunge **FTP**

Identifying success in human resources for health interventions in rural, underserved districts in South Africa: Stories from a decade of delivery

J McFarlane **FTP**

Knowledge and attitudes of non-occupational HIV post-exposure prophylaxis amongst first- and second-year medical students at Stellenbosch University in South Africa

N Ncube **FTP**

Knowledge of important oral health conditions as perceived by final year undergraduate medical students at the University of Cape Town

K Ramphoma

“Sowing the seeds: The use of feedback in the medical curriculum as a key factor in academic success”

C Bagwandeem **FTP**

Poster Session 2C: Infectious diseases Venue: Great Ilanga
Chair: Prof Benn Sartorius

Risk factors associated with herpes simplex virus type 2 (HSV-2) among pregnant women attending public health sector antenatal clinics in four provinces in South Africa

L Ratya **FTP**

Self-sampling for human papillomavirus testing among rural young women of KwaZulu-Natal, South Africa

N Mbatha **FTP**

The acceptability of three vaccine injections given to infants during a single clinic visit in South Africa

H Tabana **FTP**

Burden of non-communicable disease and absenteeism among South African health care workers

A Medina-Marino

19H00

DINNER

Venue: Great Ilanga

Keynote Address

PHILA Awards

Chair: Dr Tracey Naledi

FRIDAY, 09 OCTOBER 2015

08H00 - 09H30 Satellite 4 Venue: Maharani

Testing educational tools for Public Health learning in the Health Sciences curricula in Africa
[L Wolvaardt](#)

08H00 - 09H30 PARALLEL SESSION 4

Parallel Session 4A: Maternal and reproductive health

Venue: Great Ilanga

Chair: Prof Shinga Feresu

Teenager's perceptions about teen pregnancies in KwaZulu-Natal

[N Dlamini](#)

Sexual and reproductive decision-making among married and cohabiting women in Mahikeng

[G Osuafor](#) FTP

Socio-demographic and economic determinants of prenatal health care utilization in Malawi: a decomposition approach

[K Machira](#) FTP

Spatial modelling and mapping of antenatal care service utilization in Ethiopia

[A Dumicho](#) FTP

Practices and perceptions of traditional and skilled birth attendants providing maternal health care for pastoralist communities in Kenya: a qualitative study

[T Caulfield](#) FTP

Addressing maternal health service provision in OR Tambo District: A systems dynamics approach

[P Delobelle](#)

Parallel Session 4B: Community and Primary Care

Venue: Suite 1 & 2

Chair: Prof Thandi Puoane

Barriers to notifiable disease reporting at primary health care clinics in South Africa: A content analysis

[J Bezuidenhoudt](#) FTP

Why community health workers fail to link communities with formal health care: Experience of village health teams in Luwero District, Uganda

[L Musinguzi](#)

"We don't have an office. We sit under a tree"... Perceptions of Ward Based Outreach Teams in one Gauteng district

[S Munshi](#)

The cost and utilisation patterns of a pilot sign language interpreter service for primary health care services in South Africa

[T Zulu](#)

Implementation of Ideal Clinic Realisation and Maintenance (ICRM) in four provinces of South Africa

[T Chaane](#) FTP

**Parallel Session 4C: Health systems and Policy**

Venue: North, East & South Ilanga

Chair: Prof Lucy Gilson

Assessing NHI readiness in the pilot districts of KwaZulu-Natal, South Africa: Phase 1

G Khumalo

Projecting future central, tertiary, and regional hospital bed capacity in KwaZulu-Natal

H Somaroo

A study on the utilisation and deemed expenditure of critical care services in an academic hospital by foreign patients from 01 April 2013 to 31 March 2014

T Makola

Policy Analysis: Exploring the policy formulation process of the Draft Control of Marketing of Alcohol Bill (August 2013 to January 2015)

A Bertscher

Assessing the burden of trauma in KwaZulu-Natal: The incorporation of trauma indicators into the DHIS

E Lutge

Making health committees work for health system responsiveness and sustainability

L London

09H35 - 10H20

POSTER SESSION 3

Poster Session 3A: Environmental/Occupational Health

Venue: Great Ilanga

Chair: Prof Poovendhree Reddy

Challenges associated with waste management in Harare, Zimbabwe: Implications for public health

S Chingonzo **FTP**

Effectiveness of control measures to prevent transmission of tuberculosis infection in health care workers: A systematic review

B Schmidt **FTP**

Health risk assessment of lead among children in Blantyre City, Malawi: Evaluation of the IEUBK model

W Utembe

Risk factors associated with asthma phenotypes in poultry farm workers

D Ngajilo **FTP**

The day to day operations of the street food vendors in Cape Town

J Hill

The informal sector: Building a sustainable future whilst dealing with challenges of occupational pollutants and inequities in healthcare

S Hariparsad **FTP**

The prevalence and nature of work related musculoskeletal disorder amongst physiotherapists in Zimbabwe

M Maleka

An overview of the compliance process for enforcing food safety regulations

C Mokoatle **FTP**

Poster Session 3B: Quality of Care

Venue: Suite 1 & 2

Chair: Dr Thameshree Naidu

An assessment of in-clinic laboratory test result management in South Africa

L de Vos **FTP**

Baseline assessment for the implementation of a pharmacist-driven inventory management system in the wards at Dr George Mukhari Academic Hospital

P Harirari **FTP**

DCS QI Project: ART Initiation

A Ndlovu

Enhancing quality improvement support through the use of coaches at district level

P Masike

Improving the quality of pharmaceutical services at primary healthcare clinics (PHCs) in Umzinyathi district

S Mazibuko **FTP**

Knowledge, attitudes and practices of healthcare workers about adverse drugs reaction reporting in Tambo memorial hospital

L Molepo **FTP**

Patient Satisfaction at Accredited Antiretroviral Treatment Sites in the Gert Sibande District, Mpumalanga Province

E Helberg **FTP**

Patient satisfaction with primary health care services in the South African public sector

M Letsoalo

Quality improvement project for the management of ward medicines at a public sector hospital

H Meyer

Poster Session 3C: Non-Communicable Conditions

Venue: North, East & South Ilanga

Chair: Dr Tintswalo Hlungwani

Assessing the risk factors of coronary heart disease among rural adults in Joe Gqabi District

C Businge

Assessment of the feasibility of surveillance system in collecting, analysing and disseminating information about diabetes mellitus in Dar es Salaam, Tanzania

S Sheuya

Demographic characteristics of women who attended Ocean Road Cancer Institute (ORCI) in Ilala District, Dar es Salaam for cervical cancer screening

S Kilasi

Factors associated with excessive body fat in men and women: Cross-sectional data from black South Africans living in a rural community and an urban township

K Okop

Risk factors of stroke in Mthatha Hospital Complex, Eastern Cape, South Africa

C Businge

Trends in colorectal cancer incidence, South Africa 2003-2008

L Majake **FTP**

Trends and determinants of cervical cancer mortality in South Africa

G Olorunfemi **FTP**

What is the magnitude of major depressive disorder in South Africa for the period 1997-2014?

M Nglazi **FTP**

Alcohol use as a public health problem: Views of educators at selected high school at Capricorn of Limpopo Province

M Chueng

10H20 - 10H40 Tea Break (Exhibition area & foyer)

10H40 - 12H00 Plenary : Panel Debate

Venue: Great Ilanga

Solutions to SA's health challenges

Chair: Dr Julia Moorman

Panel:

Dr Heinrich Volmink MP, Deputy Shadow Minister of Health

Mr Mark Heywood, Section 27

Prof Hoosen 'Jerry' Coovadia, National Planning Commission

Health Portfolio Committee

EFF

12H00 - 12H40 Lunch (Exhibition area & foyer)

12H40 – 15H05 Satellite Session 5

Venue: Maharani

Leveraging existing community resources to improve the health status of communities in poor settings in Uganda and Rwanda

D Muhangi

12H40-14h10 PARALLEL SESSION 5

Parallel Session 5A: Health Promotion

Venue: Great Ilanga

Chair: Prof Joyce Tsoka-Gwegweni

The role of high quality news in influencing public and political understanding and actions to improve health and health services: the case of Health-E

B Klugman **FTP**

The profile of clients consulting at a community-based health promotion and wellness centre in Dobsonville, Soweto

J McArthur **FTP**

Factors that influence the adoption of a safety and peace promotion intervention in early childhood development centres in Slovo Park, Johannesburg

D Isobell **FTP**

Role of informal communication resources in improving community response to formal health messages: Evidence from Luwero District, Uganda

J Rwemisi **FTP**

Strengthening community systems collaboration towards Millennium (Sustainable) Development Goals in South Africa

J Olivier **FTP**

Parallel Session 5B: Quality of care

Venue: Suite 1 & 2

Chair: Prof Laetitia Rispel

To develop a set of indicators for an early warning system to timeously predict breaches in quality norms and standards in regional and central health establishment in South Africa

L Majake **FTP**

Exploring adaptive, innovative practices to improve retention in care in public health facilities in the Western Cape Province: A positive deviance approach

F Mukumbang **FTP**

Patient waiting time surveys: Are they feasibly done by primary health services?

P Kruger **FTP**

Health systems strengthening: Pilot of the Community Based Monitoring model to improve the quality of health care services

L Letsela

Poor implementation of the taking of viral loads as per the new consolidated PMTCT guidelines in North West province

N van Schaik

The relationships between structure, process and outcome as a measure of the quality of care in the integrated chronic disease management model in a rural South African setting: A structural equation model

S Ameh

Parallel Session 5C: Maternal and Child Health

Venue: North, East & South Ilanga

Chair: Prof Leslie London

Community-based approaches to improving maternal and child health nutrition outcomes in Nkangala District, South Africa

P Sondhlane **FTP**

Breastfeeding duration of children of HIV-negative mothers in Zambia

K Vermaak **FTP**

Policy implications for child survival programs: Experiences from Makhuduthamaga child survival project

B Hlabano

The missing link between maternal mortality outcomes and expanded HIV/AIDS services in Zimbabwe, 2009-2013

O Tapera

Factors influencing deliveries at health facilities among rural Maasai communities in Magadi County, Kenya

S Karanja **FTP**

Traditional birth attendants as possible partners for male involvement in maternal healthcare issues: Insights from Luwero District, Uganda

E Turinawe **FTP**

14H15 – 15:05

POSTER SESSION

Poster Session 4A: Social Determinants/Health promotion

Venue: Great Ilanga

Chair: Dr Simola Rajaram

Case study of traditional food processing methods used by elderly women in rural areas of Limpopo Province, South Africa

L Mushaphi **FTP**

Cross-country analyses of health outcomes and macroeconomic profiles in the Monetary and Economic Community of Central Africa

O Zang

Evaluation of the implementation of the National School Nutrition Programme (NSNP) in secondary schools in Vhembe and Mopani districts, Limpopo Province, South Africa

L Mushaphi **FTP**

Health insecurity, catastrophic healthcare expenditure and social protection: Pathways, gaps and their implications on health outcomes and poverty

E Gama **FTP**

Household food access and nutritional status of 2-5 years old children residing at Lambani Village, Vhembe District, Limpopo Province

T Mandiwana

Knowledge and advertisement of tobacco products among Ellisras rural children aged 11-18 years: Ellisras Longitudinal Study

K Monyeki

Assessment of learners' exposure to health education and promotion at school in Limpopo Province, South Africa

H Oni **FTP**

Leveraging community resources to improve health in poor communities

D Muhangi

IEC drives ART adherence: self-reports from people on antiretroviral treatment at Phatsima clinic, South Africa

L Mshibe **FTP**

**Poster Session 4B: Health systems and policy**

Venue: Suites 1 & 2

Chair: Mr Moeketsi Modisenyane

Models of public-private engagement for health services delivery and financing in southern Africa:

A systematic review

E Whyte

Successful implementation of Tier.net electronic system in OR Tambo District

V Ntshakaza **FTP**

Survey on primary care staff attitude towards research capacity building at district level in the Cape Metro District (2014)

S Petros

Sustainable action: The case of Buffalo City Metro Health District action learning and action research initiatives

E Webb Mazinyo

The delivery of essential health services in Africa: Realities, perspectives and perceptions - a WHO AFRO multi-country study (South African data)

S Hendricks

The plan-do-study-act cycle provides a responsive way of obtaining and responding to data for the improvement of future performance

W Chinogwenya

Tier implementation: Supported districts ready to report on the UNAIDS 90-90-90 treatment targets

B Kuwane

The availability of emergency obstetric care services in a South African district- Preliminary results

S Thwala **FTP**

Improving health through enhancing leadership skills and multi-sectoral synergies in Imbabazane Local Municipality

T Khumalo **FTP**

Community participation and the right to health for people with disability: qualitative study into health committees understanding and practise of their governance role in relation to disability

T Abrahams **FTP**

**Poster Session 4C: Maternal and child health**

Venue: North, East & South Ilanga

Chair: Prof Myra Taylor

Awareness and knowledge of structural birth defects among women attending reproductive and child health clinic in Coast Region, Tanzania

S Kilasi

Factors associated with geophagia and levels of trace metals in blood and urine of pregnant women at Dr George Mukhari Academic Hospital, Pretoria, South Africa

L Macheke **FTP**

Factors contributing to termination of pregnancy amongst teenagers at an urban private clinic in Limpopo Province, South Africa

K Baloyi **FTP**

Identifying gaps: Providing optimal community-based maternal and child health services in households in KwaZulu-Natal

A Wilford

Knowledge, perceptions and usage of fermented foods for feeding children aged 13-60 months in Tshwane, Gauteng Province

P Chelule

Maternal risk factors for premature death in the KMC intervention at Piet Retief Hospital

J Ongole

Factors associated with maternal deaths after a caesarean section in Morogoro Region in 2014: Findings from maternal deaths surveillance in Tanzania

A Nyanga

The impact of access to antenatal care on maternal health outcomes among young adolescents on the north coast of KwaZulu-Natal, South Africa

P Reddy **FTP**

The practices and methods of contraception used amongst black rural secondary school learners in Limpopo Province, South Africa

H Oni **FTP**

Relationship between maternal obesity and prenatal, metabolic obstetrical and perinatal complications of pregnancy in Indiana, 2008-2010

S Feresu **FTP**

15H05 - 15H20 Tea Break (Exhibition area & foyer)

15H20 - 16H20 Closing plenary
Chair: Dr Saiendhra Moodley

Understanding Health and Resilience within the context of Sustainable Development

Prof Lekan Ayo-Yusuf, Acting Executive Dean of the Faculty of Health Sciences,
Sefako Makgatho Health Sciences University

Tackling diseases of lifestyle in KwaZulu Natal

Dr Sibongiseni Dhlomo, MEC, KwaZulu Natal

16H20 – 16H30 Awards & Closing
